**CLARIFICATIONS**

The following answers (A) are clarifications to questions (Q) submitted via email.

Q1. Will this renovation require an asbestos survey to be performed?

A1. An asbestos survey may be required for this project.

Q2. Can a MWSBE be a prime contractor on this project?

A2. Yes, but the Primes MWSBE status will not be counted towards the project MWSBE goal.

Q3. If MWSBE own two firms providing related services, can one be used as a prime and the other be a minority?

A3. No.

Q4. Please confirm if these two additional SOQ project roles should also be included in the table provided in Document 4/Section 2.1. Please confirm if the services of a structural engineering consultant are expected for this project as compared to the Document 2 – Scope of Services section of the RFQ.

A4. Only the three Proposed Key Personnel in Document 4/Section 2.1 will be used for scoring purposes. Yes, a Structural Engineering Consultant is expected for this project.

Q5. Please clarify the expected SOQ project roles of the Construction Administrator and Roofing/Building Envelope Inspector as indicated in Document 4/Section 2.1 of the RFQ.

A5. Some firms may choose an individual to assume multiple roles or they can have a separate person for each SOQ project role.
